Renacres Hospital is happy to accept patients via e-RS or paper referral, however some exclusions do apply.

We cannot accept NHS patients with the following:

- Under 18 years of age
- With a BMI of over 40
- A patient with an incapacitating disease that is a constant threat to life
- A patient who has an unstable mental condition and is receiving psychiatric treatment

Please include NHS numbers and confirm all demographic details of the patient including full name, address and daytime telephone numbers including any mobile. Please ensure you include or send any relevant x-rays, scans, test results, BMI, current medication, past medical history and any known drug allergies.

Other Information

- Our services are delivered at the National NHS tariff with no additional costs to patients or CCGs
- Free hospital parking
- Care from one Consultant throughout from first appointment to discharge
- Clean, comfortable and quiet surroundings
- Short waiting times

If you are unsure of which Consultant is suitable for your patient, please leave the referral unnamed and we will ensure an appointment is made with an appropriate clinician. All our Consultant profiles are available on our website.
